

Seize the Future: Early University Preparation for Year 12 Students

Now is the time to get prepared for university early!

Year 12 have just had their MILLIE launch, a career website to support their future university applications. Launch for other year groups will take place in the coming weeks.

If you are considering applying for US or any of the following countries universities: America, Italy, Spain, Hong Kong, Singapore, NYU campus, taking SATS is currently optional, but it looks very good on your application.

Both our successful early entry students for Cornell and NYU took SATS.

Over 30 of you said you were interested in applying for the US and may need SAT help. If so, please sign up to the information SAT workshop next Wednesday at 3:00pm using the QR in the poster.

Also, we have two parent nights about U.K. vs USA study options and scholarships.

Any questions, please ask Ms. Amy Candiano at amy.candiano@charterhouse-htms.edu.my
