Important Update: Graduation Ceremony Venue Change

Dear Year 13 Parents and Students, we have an important update regarding the upcoming Graduation Ceremony. Due to unforeseen circumstances, we have had to change the venue from the Sime Darby Convention Centre to the KLGCC Ballroom Level 1.

New Venue Details:

Date: Tuesday, 18th June

Time: 6:30 PM - 9:30 PM

Venue: KLGCC Ballroom Level 1

Reason for the Change: The availability of the KLGCC ballroom allows us to continue the tradition of hosting our graduation ceremony in a beautiful setting. As many of you may remember from last year, the KLGCC offers a stunning ballroom and picturesque golf course surroundings. We believe this change will enhance the overall experience for our graduating students and their families.

We apologise for any inconvenience caused by this change, but we are confident that the KLGCC Ballroom Level 1 will provide an elegant backdrop for this momentous occasion.

Should you have any questions or require further information, please feel free to reach out to us. We appreciate your understanding and look forward to celebrating with you on this special day.
