### DofE Shout Outs!

This week has been a remarkable one for our DofE students with Ibby, Abdullah, Callum, Zoey and Lea all being signed off on their Bronze Awards just in time for exam season. They have all done impressive work, here are some highlights:

Ibby has excelled in his physical recreation, becoming an able sportsman through his involvement in football, gym training and cycling. He was also remarkably calm when a pack of wild dogs ate his dinner on the Cameron expedition! Callum has also made huge gains in his gym training, achieving his ambitious goals for weight training.

Zoey has also smashed her deadlift record after months of hard work in the gym, Lea has pushed herself to develop her cardio through intensive HIIT workouts.

Abdullah and Callum are on the way to becoming chess grandmasters, honing their strategic skills to significantly improve their ELO score. Zoey has honed her debating skills through her involvement in a series of debate competitions. Lea has developed her musical talents, working on her singing performance to greatly improve her abilities.

For volunteering, Abdullah, Ibbby and Callum helped to arrange sports and creative activities for Myanmar refugees, giving up their weekends to brighten someone else's. Zoey spent time volunteering at an old folks, home learning the value of patience and service to others. Lea has been developing an app to promote financial literacy aimed at improving the lives of B40 home citizens.

They have all made huge stories in their personal development throughout their participation in the program and I am very proud of all of them. – *Mr Sutton*

### **Making history - Charterhouse's first History Bowl and Bee competitors.**

A huge well done to Xinru, Christina Ong, Lyana and Jeremy Soo for being the first Carthusians to represent Charterhouse at the International History Bowl regional tournament this weekend.

After suffering a defeat in the first round, they bounced back to give a solid performance in the face of seasoned competition, this is what I mean by resilience! *They have successfully qualified for the Asian championships!* Both I and Bearman Mao (History mascot) are very proud of the effort and perseverance they displayed. An extra shout out to Jeremy who participated in the individual competition and also qualified for the Asian championships! - *Mr Sutton*.

### **Internship/Work Experience for Year 12 Students**

With only seven weeks remaining until the summer holiday, now is the perfect time to start considering internship opportunities. The extended duration of the holiday presents an ideal opportunity for valuable work experience.

Several companies have generously offered internship positions for Year 12 students. Don't miss out on this chance to gain practical skills and insights in your chosen field.
